EXPERIENCE THE 2017

TOTAL SOLAR ECLIPSE

A SPIRITUAL HEALING RETREAT
AT MEDISSAGE CENTERS

Fri. Aug 18 – Tues. Aug. 22, 2017

“What has not changed over the centuries, however, is the emotional allure of total eclipses. These rare and unearthly events, when they pass overhead, suspend human affairs and draw people out of their quotidian existence.”

- David Baron, author of American Eclipse

This spiritual retreat will enhance the eclipse event/experience by building a community of oneness through meditation, a full day deepening energy workshop, talks, yoga, sound healing, live music and more. Anchoring the 4 days is the once in a lifetime emotional experience witnessing the total solar eclipse at it's centerline in Columbia, SC, located only 90 minutes away from Medissage Centres.

Price for the whole retreat \$420
(workshop with lunch included)

Workshop with Swami Gyankirti
and one night stay: \$220

Featuring

Sunday, August 20, 2017: Full Day Workshop (from 10am-6pm)

At this auspicious time Swami Gyankirti will facilitate the enhancement of an already existing vortex to concentrate the energies of the sun through the prism of the moon; and then draw upon this energy for the Inner Awareness and Healing of participants in the *SOUND OF SILENCE*.

This will be an active participation workshop.

1117 Black Creek Church Rd. Mount Croghan SC
