

The Photon Genie

Photon Genie is the result of decades of research and development, dramatically innovating and advancing the concepts of Tesla, Rife, Abrams and Lakhovsky by perfecting an advanced, proprietary processing of full-spectrum frequencies and infinite harmonics with recently developed "Skilling Advanced Electronics" to promote restoration and regeneration.

This life-nourishing photobiotic energy is effectively delivered by both an ionized Noble Gas energy-transmission and deeply penetrating mega-frequency life-force energy waves. The results are effective, harmonically balanced reception by cells of the body to:

1. **RE-ESTABLISH** the ideal vibrational frequencies and harmonic energy state of each individual cell in the body.
2. **DEVITALIZE** pathogens in the systems of the body (yeast, fungus, mold, viruses, bacteria, parasites, etc.), slowing infections, and reversing processes that lead to disease.
3. **BREAK-UP** blockages and barrier tissues through re-polarizing cells and molecules; dissolving lumps, clots and mineral deposits.
4. **DETOXIFY** the body by moving and balancing the lymphatic, circulatory and other fluid systems of the body through all the channels (blood vessels, lymph, capillaries) for more efficient transport of nutrition, vital energy and infinite intelligence throughout the cells of the body, brain and nervous system.
5. **MOVE & BALANCE ALL FLUIDS** of the body. Systematically and electronically influence the balance of all fluid systems of the body from the inside "master control level", the energy control of the cells.

Delivering safe, non-invasive and easy-to-use "Skilling Advanced Electronics", the innovative Photon-Genie effectively provides full-spectrums of bio-available ultra-harmonics and proprietary mega-frequency transmission in harmony with the impedance of the body.

The Photon Genie is available for personal and family use and to be used for personal, **EXPERIMENTAL PURPOSES ONLY**. Recent studies using live blood-cell analysis with "Dark Field" Microscopy have shown in most cases a marked improvement in all health parameters from regular and consistent use over a period of weeks and months and more noticeable improvement continues with continued use.

This new method of processing the "Skilling Advanced Photonics" utilizing mega-frequencies and ultra-harmonics through the most advanced technologies newly developed by the Skilling Institute in the Photon Genie are the most innovative and extensive technologies ever developed in this field by the electro-medicine master in this field for the last fifty (50) years, Ed Skilling.

The Photon Genie far and away dramatically exceeds the primitive frequency instruments of the past and present. The Photon Genie excels in its comprehensive, full-sensory innovative and effective processing, transmission and delivery of life-force energy and communication to the cells and systems of the body. The Photon Genie is the most advanced and effective vibrational energy technology in the world today

Pain Relief

One of Photon Genie's most immediate and noticeable effects is the ability to tackle pain.

At first, you may notice the pain reduction only while using the Photon Genie, but then you will soon realize the effects last longer and longer after each use.

The more frequently you apply the [Photon Genie](#), the faster you will see results. It does this by reenergizing the body's cells with natural radiation. Many people even sleep with the Photon Genie Energy Transmitters (flat packs), without plugging in the Energy Wands (glass photon tubes).

Claims are made that over 60% of our required daily energy comes from natural radiation, with the remainder coming from nutrition. Modern life has meant that we are spending increasing amounts of time indoors, obstructed from the sun. This has meant that our cells have often been left depleted of energy and their natural regulatory and repair capability has been severely undermined.

The sun produces radiation over the full spectrum of electromagnetic waves and the Photon Genie is able to copy this and target the cells required. The cells may have been damaged through injury, toxins, disease, radiation etc. The Photon Genie will increase the cell's energy, natural function and metabolism and once repaired the pain should disappear.

The Photon Genie has proved effective with the following conditions:

- Pain
- Joints
- Skin disorders
- Injury recovery
- Lack of sleep
- Stress
- Inflammation
- Infections

And in combination with other medical treatments:

- Allergies
- Auto-immune diseases
- Toxins
- Parasites & mycosis

The Photon Genie can produce the following effects when used for the removal of toxins from the body:

- Loose bowel movements
- Increased perspiration
- Other similar reactions with the excretory organs

Athletes Benefit From Pain Relief & Avoid Injury

Athletes are using the Photon Genie to maintain healthier muscles, ligaments and bones. Muscles and ligaments often breakdown with use over time. We experience the literal "last straw" in the form of pain when these actually tear, but with regular use of the Photon Genie, the body is constantly reconstructing and fortifying itself, so actual injury can be avoided altogether. **And bones can actually increase in density**, avoiding the "brittle" condition, which affords hairline cracks, leading to breaks. Plus long periods of time in heat or ice baths can be replaced with the more relaxing and less complicated application of the Photon Genie, which can be used anywhere you can plug it into an electrical source. (This includes cigarette lighters in vehicle with adapter.)
